

## Invitation to Match-making with Taiwan PCB and electronic connector industry in Germany

Taiwan PCB and electronic connector industry are well-known for their OEM/ODM ability and quality, and they also possess with strong R&D and supply chain to meet customers' requirement. On the other hand, Europe has advanced technologies and market opportunities. In order to facilitate interaction and partnership opportunity between Taiwan and Europe, it is the first time TAITRA, TECA and TPCA co-organize 2016 Taiwan Trade Mission of PCB & Electronic Connection Industry to Germany.

The two Match-making meetings will be held in Düsseldorf and München on Nov 8<sup>th</sup> and Nov 10<sup>th</sup>. We sincerely invite you to B2B business activities. Please refer to the following agendas for more concise information.

**[Register now to match-making Booking!!](#)**

### Event Highlights

1. Available to one-on-one meetings with Taiwan electronics companies and industrial clusters
2. Taiwan electronics companies attendance, total 11 companies, including PCB makers, PCB accessories, EMS provider, and electronic connector suppliers
3. Taiwan electronics industrial clusters- TECA and TPCA
  - TECA: 129 industrial members, such as connector makers, materials, equipment, molding, testing, pressing and plating companies
  - TPCA: 602 industrial members, such as PCB makers, equipment, materials & chemicals and EMS providers
4. Taiwan electronics industry market information share during the match-making
5. European clusters attendance,
  - EIPC (The European Electronics Association)
  - ZVEI (*Zentralverband Elektrotechnik- und Elektronikindustrie*), inviting

### Taiwan PCB and electronic connector delegates

## Schedule and Agenda of Match-making meetings

### Session I

Date: November 8<sup>th</sup>, 2016

Venue: Europasaal 2, Radisson Blu Scandinavia Hotel Düsseldorf

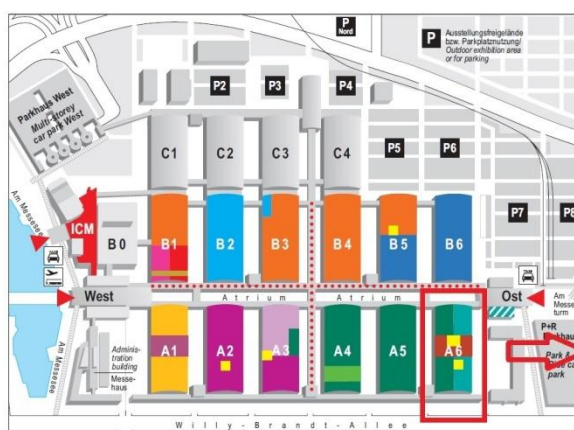

Address: Karl-Arnold-Platz 5, 40474 Düsseldorf

### Session II (during electronica 2016)

Date: November 10<sup>th</sup>, 2016

Venue: Conference Room A62, Messe München

Address: Messegelände, 81823 München

**electronica**  
 inside tomorrow  
 November 8-11, 2016  
 Messe München

Legend:  
 A1-A6 Semiconductors  
 A7-A8 Automotive  
 A9-A10 Embedded systems  
 A11-A12 electronica automotive Forum and Exhibition  
 A13-A14 electronica embedded Forum and Exhibition

**Match-making Session II**  
 Time: Nov. 10, 2016  
 Venue: Room A62

### Agenda

Time	Schedule
13:00~13:30	Registration
13:30~13:35	Opening remark by Director of Taiwan Trade Center, Düsseldorf and München
13:35~13:40	Opening remark by representative of EIPC
13:40~13:55	Presentation: introduction of Taiwan electronics industry by TPCA and TECA
14:00~17:30	One-on-one meetings with Taiwan electronics companies (30 mins per meeting, 7 segments in total)

**Organized by** Bureau of Foreign Trade, BOFT, MOEA

### Implemented by

Taiwan External Trade Development Council (TAITRA)

Taiwan Electronic Connection Association (TECA)

Taiwan Printed Circuit Association (TPCA)

### Supported by

The European Electronics Association (EIPC)

Industrie- und Handelskammer zu Düsseldorf (IHK)
